

2013 Carr Syrah
Morehouse Vineyard, Santa Ynez Valley

VINTAGE:	2013
APPELLATION:	Santa Ynez Valley
COMPOSITION:	100% Syrah Clone: Durell
PRODUCTION:	98 Cases
VINEYARD:	Morehouse Vineyard is a small two acre vineyard located off Highway 246 in the center of the Santa Ynez Valley. The vineyard is very unique because it has one of the last plantings of the Syrah Durell clone left in the area. The vines struggle in a silty, clay soil producing a low yield with concentrated flavors. Morehouse Vineyard was established in 1990 by Brian Morehouse and in 2005, Ryan Carr took over the care of the vineyard.
WINEMAKING:	This Syrah was aged 18 months in French oak barrels, 25% new oak.
TASTING NOTES:	This syrah offers up rich aromas of blackberry, leather and bacon. It has a silky mouthwatering texture with flavors of chocolate covered blue berries that lead into a slightly spicy finish.
RETAIL:	\$50.00
