VINEYARD:	Morehouse Vineyard is a small two acre vineyard located off Highway 246 in the center of Santa Ynez Valley. The vineyard is very unique because it has one of the last plantings of the Syrah Durell clone left in the area. The vines struggle in a silty, clay soil, producing a low yield with concentrated flavors. Morehouse Vineyard was established in 1990 by Brian Morehouse and in 2005, Ryan Carr took over the care of the vineyard.
WINEMAKING:	This Syrah was aged 18 months in French oak barrels, 20% new oak.
TASTING NOTES:	Flavors of baked blueberries and rhubarb pie compliment hints of black pepper and nutmeg. Gentle touches of vanilla macaron and baking spices carry out thorough the long and delightful finish of this wine.
RELEASE DATE:	January 2017
RETAIL PRICE:	\$50.00 Bottle
