This area of the valley has a very hot climate with many summer days that reach temperatures over 100 degrees, producing the perfect growing conditions for these grapes. The rocky soils of the foothills stress the vines into producing smaller clusters with richer flavors.
WINEMAKING:	This wine was aged for 20 months in French oak barrels, 25% new oak.
TASTING NOTES:	Happy Canyon is home to the hottest climate in Santa Ynez Valley, making it the perfect location for Cabernet Franc. This single-acre vineyard produces some of the best Cabernet Franc in the area. Beginning with gentle aromas of jalapeño, this wine leads into a full flavored palate of spicy dark chocolate and subtle notes of peppercorn with a smooth, round finish.
