VINEYARD: Kærskov Vineyard was planted in 2014 by Ryan Carr. This vineyard was planted 6'x3' making it 2420 vines per acre "high-density." This site is in the center of the Santa Ynez Valley in the Los Olivos District AVA. This section of the valley is perfect for growing the Rhone varietals. The soil is a nice mix of clay-lome and river stone, which creates great drainage with rich nutrients.

WINEMAKING: The grapes are delicately hand rolled, with the stems left on. This process allows the vibrant, naturally present flavors to be gently extracted from the heart of the grapes. It is then aged 18 months in French oak barrels, 20% new oak.

TASTING NOTES: This invitingly flavorful Grenache was grown in the clay-lome soils of the Los Olivos District. The bouquet is subtle and complex with notes of wildflowers, and spices. The body is rich, with bright acidity and flavors of cranberry, cola, and black cherry. The finish is soft and silky with notes of dark chocolate and granite.
