VINEYARD: Kærskov Vineyard was planted in 2014 by Ryan Carr. This vineyard was planted 6'x3' making it 2420 vines per acre "high-density". This site is in the center of the Santa Ynez Valley in the Los Olivos District AVA. This section of the AVA is perfect for growing the Rhone varietals. The soil is a nice mix of clay-lome and river stone, which creates great drainage with rich nutrients.

WINEMAKING: The grapes are delicately hand rolled, with the stems left on. This process allows the vibrant, naturally present flavors to be gently extracted from the heart of the grapes. It is then aged 18 months in neutral French oak barrels.

TASTING NOTES: With its striking red color and diverse nose featuring citrus, ocean breeze, minerality, and red fruits, it captivates the senses from the start. Ripe blueberry flavors dominate, offering a luscious and juicy fruit profile that delights the palate. With its medium acidity and low tannins, this Grenache promises a refreshing and delightful drinking experience.
