It was planted in 2005 with 26 acres of Pinot Noir and 3 acres of Chardonnay. The property is made up of rolling hills and valley floor with a mixture of soil types from sandy to sandy loam with patches of clay loam. Yields from the vineyard are low averaging approximately 1.5 – 2 tons to the acre, which result in exceptional, high quality fruit.

WINEMAKING: Aged for 18 months in neutral French Oak barrels.

TASTING NOTES: The wine showcases a beautiful ruby hue in the glass. Complex and expressive on the nose, with aromas of dark cherry and plum, interwoven with savory notes, sandalwood, and a touch of oak. This wine has a wonderfully rich, silky mouthfeel with flavors of red cherry, raspberry, and cola in every sip.
