VINEYARD: This Cabernet Franc comes from Camp Four Vineyard in the Los Olivos District. Located on the East side of the Santa Ynez Valley, Camp Four Vineyard has plenty of warm days and is known for growing exceptional Cabernet Franc.

TASTING NOTES: This single clone of 332 Cabernet Franc is as complex as it is smooth. Notes of crushed pepper and dry earth rise from the glass. The palate opens up with rich, bold flavors of blueberries. Ryan chose to use the Bordeaux 332 clone of Cabernet Franc for its outstanding characteristics such as the softer tannins, and it being less tannic than the Loire clone which provides a more fruit forward palate highlighting blue fruits.
