VINEYARD: Kærskov Vineyard was planted in 2014 by Ryan Carr. This vineyard was planted 6'x3' making it 2420 vines per acre "high-density." This site is in the center of the Santa Ynez Valley in the Los Olivos District AVA. This section of the valley is perfect for growing Rhone varietals. The soil is a nice mix of clay-loam and river stone, which creates great drainage with rich nutrients.

WINEMAKING: The grapes were hand harvested and then gently pressed. The juice was cold fermented in stainless steel capturing the brightest characteristics this fruit has to offer and aged for 5 months.

TASTING NOTES: The wine has a soft nose with notes of honeysuckle and papaya that are highlighted by a full round palate of citrus and tropical fruit flavors. The long crisp finish will make you want another glass.
